Course content & timelines may be adjusted as the year progresses to meet the needs of the students

Communication:

Students will be provided with a minimum of 4 communications throughout the school year.

- October 15th – Progress report
- November 20th – 1st term report card
- March 15th – 2nd term report card
- July 10th – Final report card

General Information

Participation – Students are expected to participate in class. In the case of an injury preventing participation, alternate arrangements will be made on a case-by-case basis.

Behavior – Students are expected to follow the school code of conduct at all times. Students should demonstrate respect to others, themselves and the equipment, following all rules and procedures in a sportsman-like manner.

Preparedness – Students should come to class prepared for physical activity. This includes a change of clothes and running shoes. Students should also be prepared for activities outside, such as swimming, XC skiing, and Skating. This means students should bring a bathing suit during the swimming unit, and winter clothes (gloves/mitts, hat, snow pants, jacket, boots) for the outdoor activities during the winter. Students have access to change rooms, and will be given time to change at the beginning and end of periods.

Physical Education Grading Rubric

	25	20	15	10	5	0
Engagement and Effort	Student is consistently actively engaged throughout all parts of the lesson, including warm-ups.	Student is very frequently engaged throughout all parts of the lesson, including warm-ups.	Student is often actively engaged throughout all parts of the lesson, including warm-ups.	Student is sometimes actively engaged throughout all parts of the lesson, including warm-ups.	Student is rarely actively engaged throughout all parts of the lesson, including warm-ups.	
Attitude	The student consistently demonstrates respect towards themselves, other students, teacher, and equipment	The student very frequently demonstrates respect towards themselves, other students, teacher, and equipment	The student often demonstrates respect towards themselves, other students, teacher, and equipment	The student sometimes demonstrates respect towards themselves, other students, teacher, and equipment	The student rarely demonstrates respect towards themselves, other students, teacher, and equipment	
Development	The student consistently attempts to apply knowledge gained.	The student very frequently attempts to apply knowledge gained.	The student often attempts to apply knowledge gained.	The student sometimes attempts to apply knowledge gained.	The student rarely attempts to apply knowledge gained.	
Preparedness	Student consistently changes into appropriate attire and on time for class	Student very frequently changes into appropriate attire and on time for class	Student often changes into appropriate attire and on time for class	Student sometimes changes into appropriate attire and on time for class	Student rarely changes into appropriate attire and on time for class
